

Wednesday 9.23.2015

8-9	Inaugural ceremony			
9-10 (Main Hall)	Keynote speech1: Stroke: past, present and tomorrow	Keynote speech2: Roadmap for stroke prevention	Keynote speech3: Stroke prevention and treatment: what neurologists need	Keynote speech4: Stroke prevention and treatment: What policy-makers have done, what they should do
10-10:15	Coffee break			
10:15-11 (Main Hall)	Debate 1: Reperfusion vs. Neuroprotective paradigms		Debate2: IV vs IA thrombolysis	
11-12 (Main Hall)	Teaching course1: Stroke is just a chemistry	Teaching course2: Stroke unit	Teaching course3: ICH	Teaching course4: Complications of stroke
12-13	Prayer and Launch Exhibition			
13-14	Industry Sponsored Symposium1 (HallA)		Poster Presentation (HallB)	
14-15	Teaching course5: Pediatric stroke (HallA)	Teaching course6: Stroke in young adults (HallA)	Teaching course7: Cerebral Venous sinus thrombosis (HallA)	Teaching course8: Arterial dissection (HallA)
	Teaching course9: Stroke Epidemiology: Iran (HallB)	Teaching course10: Stroke Epidemiology: Middle East (HallB)	Teaching course11: Stroke Epidemiology:Turkey (HallB)	Teaching course12: Stroke Epidemiology: Central Asia(HallB)
15-16	Original researches1 (HallA)	Original researches2 (HallA)	Original researches3 (HallA)	Original researches4 (HallA)
	Original researches5 (HallB)	Original researches6 (HallB)	Original researches7 (HallB)	Original researches8 (HallB)
16-18	Workshop 1(HallA)		Workshop 2(HallB)	
18-20	Spare time/ Evening Prayer			
20-22	Social event			

Thursday 9.24.2015

8-9	Meet the expert1 (HallA)		Meet the expert2 (HallB)	
9-10	Keynote speech3: Updates on Neuro-imaging		Keynote speech4: Stroke: from bench to bedside	
10-10:15	Coffee break			
10:15-11	Debate 3 Dual antiplatelet or antiplatelet+ anticoagulant treatment after stroke (Main Hall)		Debate4 Carotid stenting vs. Endarterectomy (Main Hall)	
11-12	Teaching course13: Color doppler sonography in stroke patients	Teaching course14: CT/CTA in stroke patients	Teaching course15: MRI/MRA in stroke patients	
12-13	Prayer and Launch Exhibition			
13-14	Industry Sponsored Symposium2 (HallA)		Poster Presentation (HallB)	
14-15	Teaching course17: Stroke prevention: DM and dyslipidemia (HallA)	Teaching course18: Stroke prevention: hypertension (HallA)	Teaching course19: Cardiac Arrhythmias Causing stroke (HallA)	Teaching course20 Cardio-aortic causes of stroke (HallA)
	Teaching course21: Stroke rehabilitation:PT and OT (HallB)	Teaching course22: Stroke rehabilitation: new Modalities (HallB)	Teaching course23: Postepileptic seizure (HallB)	Teaching course24: Stem cell therapy for stroke (HallB)
15-16	Original researches9 (HallA)	Original researches10 (HallA)	Original researches11 (HallA)	Original researches12 (HallA)
	Original researches13 (HallB)	Original researches14 (HallB)	Original researches15 (HallB)	Original researches16 (HallB)
16-18	Workshop3(HallA)		Workshop4(HallB)	
18-20	Spare time/ Evening Prayer			
20-22	Social event			

Friday 9.25.2015

8-9

**Patient gathering
(Main Hall)**

9-10

**Keynote speech5:
Interventional Neurology:
A reborn subspeciality
(Main Hall)**

**Keynote speech6:
Cerebral Aneurysms
(Main Hall)**

10-10:15

Coffee break

10-10:45
Teaching course

**Debate 5:
Treatment of unruptured
AVMs
(Main Hall)**

**Debate6
Intracranial stenting
(Main Hall)**

11-12

**Teaching course25:
SAH
(Main Hall)**

**Teaching
course26:
Spinal
cord
vascular
diseases
(Main
Hall)**

**Teaching
course27:
Dural AVF
(Main Hall)**

**Teaching
course28:
Gammaknife
in brain
vascular
lesion
(Main Hall)**

Prayer

12-12:15

12:15-13

**Tournament of Minds(final)
Conclusion remarks**

13-14

14-15

Launch
